

My name: _____

Earn your \$25 chore chart

Like Eva: pick a goal, do the work, and watch your Eva Energy add up.

I'm saving for:

Draw it here

It costs: \$ _____

One hour of chores = \$ _____

So I need _____ hours of work.

Colour a coin for every dollar you earn.

Day	The job I did	How long	I earned
Example	Rolled the socks into sushi	1 hour	\$5

Stored-up Eva Energy so far: \$ _____ Still to go: \$ _____
